## Colchester - Halstead (- Great Yeldham / Sible Hedingham)

The information on this timetable is expected to be valid until at least 21st May 2013. Where we know of variations, before or after this date, then we show these at the top of each affected column in the table.

Special timetables for services on Bank Holidays are shown at the end of each direction, showing any variation to the normal timetables. The Bank Holiday timetables are subject to change at short notice - please check again a few days before such holidays.

Direction of stops: where shown (eg: W-bound) this is the compass direction towards which the bus is pointing when it stops

Notes: FE - First in Essex  
HO - Hedingham Omnibuses  
RGL - Regal Busways

For times of the next departures from a particular stop you can use **traveline-txt** - by sending the SMS code to **84268**. Add the service number after the code if you just want a specific service - eg: **buctdgt 60**. The return message from **traveline-txt** will show the next three departures, and it currently costs 25p plus any message sending charge. However it is free for all stops in Lincolnshire & in the SW region. Departure times will be real-time predictions where available, or scheduled departure times if not.

You can also get the same information by using the SMS code at [www.nextbuses.mobi](http://www.nextbuses.mobi) (only normal browsing charges apply) or through several iPhone or Android apps that offer access to **NextBuses**.

**NOTE: SMS codes are different in each direction. Make sure you choose the right direction from these lists.**

For times of the next departures from a particular stop you can use **traveline-txt** - by sending the SMS code to **84268**. Add the service number after the code if you just want a specific service - eg: **buctdgttd 60**. The return message from **traveline-txt** will show the next three departures, and it currently costs 25p plus any message sending charge. However it is free for all stops in Lincolnshire & in the SW region. Departure times will be real-time predictions where available, or scheduled departure times if not.

You can also get the same information by using the SMS code at [www.nextbuses.mobi](http://www.nextbuses.mobi) (only normal browsing charges apply) or through several iPhone or Android apps that offer access to **NextBuses**.

**NOTE: SMS codes are different in each direction. Make sure you choose the right direction from these lists.**
